# Enabling the Digital Workplace.

## Technology. Managed Services. Digital Consulting.

CompuCom provides end-to-end managed services, technology and consulting to enable the digital workplace for businesses across Canada. Celebrating its 30th year, CompuCom offers customers individualized experiences, drives workplace collaboration and productivity, and delivers operational performance and efficiency.

### Expert Multi-Device Management

We support 110+ brands and 25+ device types, such as: desktops, laptops, mobile devices, BYOD, servers, storage, POS printers & more.

### Procurement, Configuration, Deployment, Support & Disposal

We provide vendor-agnostic lifecycle management, including Device-as-a-service, for enterprise hardware, with an eco-friendly end-of-life.

### Digital Consulting

We provide Internet of Things (IoT)/Smart Buildings, Collaboration Solutions, Design Thinking and Cloud Migration Services.

### Workplace Support Services

We offer deskside and remote service desk support from our multiple service centers. Additionally, we provide onsite assistance with our Solution Cafe™ and Tech Services for small business or remote employee support.

### Managed & Hybrid Cloud Services, Security, Network, Backup & Data Recovery

### New Technology Rollouts, Migration

New Device, Computing Environment, Windows 10 Migration, Office 365 and more.

### Analytics and Insights

We can gather transactional incident data and regularly conduct deep analysis to seek out trends such as recurring incidents, common root causes, frequent callers, problem hardware and software.

### Self-Healing Automation

Our automation tools help prevent and correct problems before it impacts users.

# Your Business Deserves More

At Grand & Toy, supporting your business is our business. Working with us means your team is backed by a passionate group of workplace experts, providing customized solutions that maximize efficiency and productivity so your team can work at their full potential. We're confident we can help you reach your ultimate goals. Because when your goals are met, we've achieved ours.

## Cleaning & Breakroom

From basic desktop cleaning supplies to full janitorial programs, we'll build a solution to improve the overall performance of your workplace.

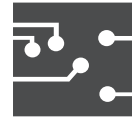

## Office Furniture

From simple desk solutions to complex, multi-floor projects, our team ensures you maximize the potential of your space.

## Exclusive Brands

Well designed. Well made. Well priced. Grand & Toy Exclusive Brands are designed to meet or exceed the quality of national brands.

## Technology and Accessories

We work directly with top manufacturers and distributors to provide you with the latest technology products and solutions.

## Boost Efficiency & Productivity

Our online tools and services allow your team to be more efficient while reducing costs.

## Gain Analytics & Insights

We'll analyze your history and financial metrics to identify new opportunities and develop processes so your business can run seamlessly.

## Maximize Profits & Increase Savings

Together, we'll work to create a plan that better realizes your organization's potential and maximizes the return on your efforts.
