GRAND&TOY®

An Office DEPOT®, Inc. Company

Mount Everest: 8,848 M

Boxes Saved From Disposal: 8,000 M

Mount Logan: 5,959 M

Tallest Mountain In Canada

The Boomerang Box is a reusable and environmentally responsible shipping solution.

The initiative began with a pilot project in Vancouver and Toronto and is projected to reduce box consumption by 80 per cent among participating businesses.

The pilot project alone eliminated more than 46,000 one-time use boxes.

This image compares those boxes to major landmarks.
