

Get A **FREE*** Keurig Brewing System

When You Purchase Your K-Cup® Packs Of Gourmet Coffee, Tea Or Cocoa From Grand & Toy.

Great Coffee Improves Office Morale

Offering employees an upscale coffee experience inside the workplace goes a long way in establishing an efficient and creative organization. Exceptional office coffee is not only a valuable employee benefit, but a valuable employer benefit as well.

- Employees feel more motivated to do their best work when their employer provides small perks in the office
- Office workers agree that they feel more valued when they are provided perks such as fresh gourmet coffee
- Most employees spend time outside of their office purchasing coffee or tea

Brew Just What You Want And Enjoy The Convenience And Savings

Most brewing systems only make coffee in multi-portion carafes, so employees have to choose between finishing up the dregs of the last pot or throwing it out and starting over. Your **FREE*** Keurig® brewer lets you make fresh, individual servings at the touch of a button in under a minute so you only pay for what you use – eliminating waste.

Get Great Quality And Better Selection

Keurig's K-Cup® packs deliver individual servings of terrific hot beverages and because K-Cup® packs come in a large assortment of coffees, teas and cocoas, everyone gets the satisfying beverage they want. With over 100 varieties available at Grand & Toy you'll never run out of choices.

The **FREE*** Keurig® brewer is yours when you order a minimum fixed quantity of K-Cup® packs from Grand & Toy each month. What's more, your employees will be so satisfied with Keurig gourmet in-house beverages, the temptation to go out for coffee will be gone.
