

BOISE® ASPEN® MULTI-USE RECYCLED PAPERS

Everyday Printing and Copying with Recycled Content

Run-ability and recycled, together at last

Boise Paper helps you reach your environmental sustainability goals with our ASPEN® Multi-Use Recycled Copy Papers. ASPEN 30, 50, and 100 all feature the same hardworking characteristics and brightness as non-recycled sheets – delivering high-performance document production in any home, office, or high-speed print environment.

When your job calls for a recycled sheet, reach for proven quality, reach for ASPEN.

Features & Benefits

- Trusted results in all copiers and printers
- Engineered for consistent performance and excellent run-ability with post-consumer fiber content
