

FLEXIBLE SEATING

Learn
BY
SAFCO®

Image Features: **Wood Adjustable Literature Organizer** | **Impromptu®** Whiteboard | **ChaCha™** Sitting-Height Table | **Fidget™** Active Stools

Today's classrooms are always evolving and you need solutions that keep up with the changing times. Learning by Safco's flexible seating makes the top of the list that offers your students something more...flexibility. Move these stools around the classroom, they excel in the ability to adapt to different learning styles. They also give students the choice on where and how they learn best. These stools complement most classroom furniture with just a dash of fun.

Get students moving to the school day beat through bouncing, swaying or rocking. Our Learn by Safco Active seating is easily adaptable to any learning environment. These active seats are designed to help children stay active and help support better posture and balance. As an alternative to desk chairs or for use in classrooms, shared spaces and media spaces – they can really make a lasting impression for your students.
