TEA & COFFEE

## YOUR HOME AWAY FROM HOME...

is always made better with a touch from Mom. Mother Parkers Tea & Coffee has been providing your operation with that special touch for over 100 years. For travelers, vacationers, conference and banquet attendees, Mother Parkers Tea & Coffee is committed to serving a better beverage experience to your guests.

From a morning cup in-room, to lunch in the restaurant, dinner in the banquet room or break service for conferences, Mother Parkers has the right solution for you.

### Why Choose Us?

- Coffee and Tea have a very high profit margin.
- The right product with right equipment makes all the difference.
- We deliver a better beverage experience, every time.

## RealCup® IN-ROOM

Have your guests rise to a Real fresh cup of coffee or tea, brewed one RealCup® at a time.

- Convenient and cost effective in-room hot beverage solution.
- RealCup offers a wide variety of satisfying coffee and tea blends and always delivers a consistent taste.
- On average, the In-Room Capsule Brewer requires less electricity to brew than a standard brewer.
- Brewers are simple to use and easy to clean, a time and labour saver. They are also safer with no glass carafe or heating plate.

## MARTINSON® COFFEE PODS

For over 100 years, Joe Martinson has been crafting a great cup of coffee. Today, Martinson® coffee continues Joe's tradition of quality. It is the fastest growing coffee brand in the Northeast.

By selecting only the best beans, roasting them to perfection and packing them at the peak of freshness, we ensure a full-bodied and flavourful cup each and every time. That's why we can proudly say, 'It's the Real Joe.'®

- Individually wrapped to guarantee a fresh cup of coffee every time.
- Pods are pre-measured and brewed by the cup.
- Add water, insert pod, press start to brew.
- Brewers are simple to use and easy to clean, a time and labour saver. They are also safer with no glass carafe or heating plate.

## MARTINSON® COFFEE SINGLES

- Convenient, fast and easy preparation. Simply pour hot water and steep.
- Coffee singles are individually foil wrapped for freshness, brewed by the cup so coffee is never wasted.
- Kettles are simple to use and easy to clean, a time and labour saver. They are also safer with no glass carafe or heating plate.

## HIGGINS & BURKE TEA

Indulge your guests with Higgins & Burke Teas.

Our exceptional teas have been crafted to capture the taste buds of today's consumer. Our tea blends range from black to green to herbal to white and roibos. Higgins & Burke is a member of the world's largest tea worker welfare audit program – Ethical Tea partnership.

- Higgins and Burke green and black teas are full of antioxidants and taste great!
- Our high quality standards guarantee superior taste.
- We continue to be environmentally responsible and therefore manufacture our cartons from 100% recycled fibers.

## MOTHER PARKERS 4 CUP

Since 1912 Mother Parkers commitment to innovation has been delivering a better cup of coffee. We stand behind this through our expertise in roasting, processing and brewing. Our coffee is tested and tasted as many as 90 times before reaching your customer.

- The compact, classic design takes up a minimum of space.
- Meets Commercial UL and CSA standards for quality.
- Automatic pause & serve lets guests sneak a cup as coffee brews. Automatic shutoff after one hour for worry-free operation. 'On' light indicator.
- Nonstick keep-hot plate resists staining and wipes clean easily. Swing-out brew basket provides easy access and cleaning too.

## MOTHER PARKERS LOBBY COFFEE

- Thermas holds 64oz of coffee.
- Ideal brew quantity allows for flexibility of brewing more than 1 blend with little waste.
- Coffee retains heat for a minimum of 1 hour.

## MOTHER PARKERS BANQUETS AND RESTAURANTS

### Roast and Ground

- The superior selection of blends satisfies all operational and consumer requirements and ensures a better cup of coffee.
- Urn pack format for larger brewing requirements.
- Consistent flavour profile across all formats.

## MOTHER PARKERS LIQUID COFFEE ON DEMAND SYSTEM

- Delivers great flavour and consistent freshness, its never frozen therefore always ready to use.
- Meet peak demand periods with a fast, convenient solution with a push of a button.
- Portion and strength control reduces costs and enhances drink quality for total cost management.
- Eliminate waste and avoid messy clean up – on demand system has no filters or pots.
- Minimize staff training.

## BRAND SOLUTIONS

### Martinson

For over 100 years, Martinson coffee has been crafted with the same dedication to quality established by Joe Martinson himself. By selecting only the best beans, roasting them to perfection and packing them at the peak of freshness, he ensured a full-bodied and flavourful cup each and every time.

### Wolfgang Puck

Wolfgang Puck® brings you coffee that perfectly pairs delicious taste and bold aroma. Each expertly balanced blend features estate grown Arabica beans from the finest growing regions. Savor the moment and celebrate life!

## MOTHER PARKERS LIQUID COFFEE ON DEMAND SYSTEM

- Delivers great flavour and consistent freshness, its never frozen therefore always ready to use.
- Meet peak demand periods with a fast, convenient solution with a push of a button.
- Portion and strength control reduces costs and enhances drink quality for total cost management.
- Eliminate waste and avoid messy clean up – on demand system has no filters or pots.
- Minimize staff training.

## BRAND SOLUTIONS

### Mother Parkers

Mother Parkers use premium quality beans that are hand-picked from the leading coffee producing countries including; Guatemala, Costa Rica, Colombia and Brazil. The beans are then carefully blended and roasted to the peak of perfection.

### Higgins & Burke

Tea is one of the few earthly treasures that is both delicious and good for you. Higgins & Burke™ teas are blended from hand-picked, high-grown tea leaves to deliver premium quality and bold flavour. Naturally beautiful and blended to perfection, Higgins & Burke™ teas ensure genuine flavour in every cup.

### Marley

Enjoy Marley Coffee's sustainably grown, ethically farmed and artisan roasted gourmet selections. Music was Bob Marley's calling. Coffee is his son, Rohan's. Both are incredibly powerful means towards incredibly powerful ends. One cup at a time. One sip at a time. One Love.

### Brown Gold

Brown Gold is a premium coffee brand dedicated to bringing you 100% single origin coffee featuring pure, unique flavours selected from some of the best coffee growing regions in the world. Nothing added. Nothing taken away. The result is an authentic flavour, unique to each coffee's origin.
