

Dishwashing Liquid Green Apple Scent

HighMark Dishwashing Liquid is a concentrated dishwashing detergent that rapidly dissolves greasy residue and easily removes food deposits on dishes. This incredible product leaves dishes sparkling clean and doesn't leave a soapy film on porcelain or glass. Pleasantly scented, it also takes care of heavy-duty tasks such as cleaning dirty pots with stuck or crusted-on food.

Features, Advantages And Benefits

- Biodegradable according to OCDE
- Non nonyl phenols
- No formaldehyde
- Phosphate free

Dishwashing Liquid Green Apple Scent

Directions For Use

Add between ½ and 2 ounces of HighMark Dishwashing Liquid per gallon of hot water. It is best to add dish detergent before adding water in order to allow the product to better dissolve. Do not use in automatic dishwashers.

HighMark Cleaning Solutions

We are committed to providing you with quality-tested cleaning and breakroom products that not only meet other national brands in price and overall features, but often beat them. It's all about providing you with a comprehensive selection, exceptional value and peace of mind.

Safety Reminder

Before using this product please ensure employees read and understand the product labels and Material Safety Data Sheet. Directions for use can be found on the label as well as the MSDS. Additionally, employees can find hazard warnings, precautionary statements and first aid procedures on the MSDS sheets. MSDS are available online at grandandtoy.com or by calling 1-866-391-8111. Improper use may result in damage or injury.
