Sync and Charge Lightning Cables

Verbatim Lightning Cables transfer files to and from your iPhone, iPad, or iPod* and any PC with a USB port while simultaneously charging your device. MFi certified, these cables are designed for use with Apple products, and can deliver up to 2.1 Amps, making them ideal for charging iPads and great for charging iPhones. Made from high-grade materials, Verbatim Lightning Cables are durable and tangle-free. Verbatim Sync & Charge microUSB Cables with Lightning Adapter are compatible with both microUSB and Lightning devices.

*Device must have a Lightning port.
