The Mouse with No Strings Attached

8589672451

### Product Description

When you need a compact, mobile mouse that offers Bluetooth wireless performance and comfort, the Kensington Pro Fit Bluetooth Mouse has everything you need to be productive. The Bluetooth connection allows you to save a USB port on your device for other accessories, which is extremely convenient on modern ultra-thin devices that have limited port space. The high definition 1000 DPI laser sensor lets you scroll around your screen with precision control. The two-button, scroll wheel design is highly intuitive and works equally well for both right-handed and left-handed users. And best of all, with simple and easy Pair & Play installation, you'll be up and ready in no time.
