Composition

Block: North American Wood
Fiber: PET

Technical data

	Typical value	Unit
Size	16	In

Product properties and product usage

- Excellent for extra rough surfaces, in heavy debris. Can be used in both wet and dry applications.
- Coarse thicker Polypropylene bristles for added stiffness.
- Hardwood block has 2 tapered handle holes.
- Perfect for any heavy commercial sweeping in parking lots, streets and industrial areas. Designed for constant outdoor sweeping and scrubbing.
- Durable heavy duty Polypropylene makes this broom ideal for sweeping the heaviest soils on rough surfaces in wet or dry applications.

Storage, transportation and disposal

Keep palletized products in a cold and dry place. Avoid exposure to direct sunlight. Product is not subject to transportation regulations for hazardous substances or chemicals. Disposal via landfill or incineration possible.

QUALITY APPROVALS / COMPLIANCE WITH INTERNATIONAL STANDARDS

This product is manufactured conforming to appropriate standards within FHP Quality System.
