## Use Instructions

Pump trigger to prime. Spray a fine mist over entire surface, spread at once and polish dry. Change towels or cloths when dirty to avoid redepositing soil.

Do not contaminate water, food or feed by use, storage or disposal. Rinsing with potable water is required if used on equipment that will be returned to a food processing area.

### Cleaning Tips

Do not use on wood or other varnished surfaces. Always spot test other surfaces before using. Unplug electrical appliances before using. Suitable for use in non-food processing areas. For best results use a lint-free cloth or untreated paper towels.

## Precautionary Statements

**Globally Harmonized System (GHS) Classification:** This product does not meet the criteria for classification in any hazard class according to regulation OSHA 29 CFR 1910.1200.

**CAUTION:** Causes slight eye irritation. Avoid contact with eyes. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

**FIRST AID:** If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
